Poquoson Holiday Parade

Pack 28 was "Rocking around the Christmas Tree" during the parade this year. We had a great turn out with the boys all getting into the 50's spirit. There was an Elvis, Jon Lennon and lots of leather as well as a couple of poodle skirts (on the mom's). If you weren't able to join us on the float, I hope that you had a great time watching the parade! Thanks to Trice family for all their parade efforts.

Caroling at Dominion Village

Silent night it wasn't, but I am sure that the residence of Dominion Village enjoyed the 20 caroling voices that sang to them before their dinner this month. Wonder if the cookies made it to the residences, or if the boys ate them all. Thanks to Cal Forrest for getting out the sheet music and CDs for the dens to practice.
